UpToDate Now Available for Health Care Providers in Manitoba

What is UpToDate and what do I use it for?

UpToDate is an electronic Clinical Decision Support tool used by clinicians and non-clinicians in the delivery of healthcare. It includes more than 10,500 topics covering general internal medicine and more than 20 specialties; a select drug database and drug interaction tool (in partnership with Lexicomp®); more than 1,500 patient education topics; more than 28,000 graphics; links to more than 400,000 references; and a number of medical calculators.

Who can access UpToDate?

Individuals affiliated with the following organizations are eligible to access UpToDate:
- University of Manitoba (faculty, staff, and students)
- Regional Health Authorities
- CancerCare Manitoba
- Manitoba Health, Seniors and Active Living
- Fee-for-service physicians

How do I access UpToDate?

There are two ways to access UpToDate:
  i. From an RHA or CancerCare facility or intranet (IP authentication), or,
  ii. Through the University of Manitoba Health Sciences Libraries.

If you are registering for a library card please allow 2-3 business days for processing.

Why should I create an account with UpToDate?

Create an account with UpToDate if you want to:
  • install and use the UpToDate app;
  • access UpToDate outside of your organization’s IP range (i.e. from home); and,
  • earn continuing professional development and CME credits.

Who can I contact if I’m having trouble accessing UpToDate?

You can contact UpToDate Customer Service if you have questions or are having difficulty accessing
UpToDate: site-support@uptodate.com
phone: 1-888-804-8436

Additional contacts include MHIKNET Library Services:
Accessing UpToDate on a computer

1. From the MHIKNET main webpage http://mhiknet.lib.umanitoba.ca/Home click on UpToDate.
   (UpToDate may also be accessed on an eHealth, CancerCare or RHA computer.)

2. Enter your library card number and password. If you have registered with MHIKNET this information was sent to you in your registration package. Then click Login.

3. You can conduct a search from here or register/login to your account. You will need to create an account to earn CME credits and to access UpToDate on your mobile device.

4. Login or register for a new UpToDate account.

5. Review the license agreement.

6. You are now logged into your account and can access your account information and CME.
Register for UpToDate on a Mobile Device

1. Open the web browser and from the MHIKNET webpage http://mhiknet.lib.u manitoba.ca/Home scroll until you can click on UpToDate.
