MHIKNET—Manitoba's Health Information and Knowledge Network—is a service provided by the University of Manitoba’s Health Sciences Libraries to:

- staff of Manitoba Health, Seniors & Active Living,
- staff of participating Regional Health Authorities, and
- fee-for-service physicians in Manitoba.

**Document Delivery**

Do you want one of the resources listed? Is there an article, book or resource not mentioned here that you need? Contact us to request the item - we will mail, email, or fax it to you at no cost.

**Literature Searches:**

Health sciences librarians will do a professional literature search for you on any topic or question you have.

**Current Awareness:**

Our librarians can set up current awareness alerts on specific topics, authors, and/or journals of interest to you. You will receive an email every week that cites any new articles that have been published on your topic.

**Education & Training**

We offer education sessions, in person and online, on topics like Googling for Good Evidence, Improving Your PubMed Search Skills, and Healthcare Apps.
